## Task 1

A friend has told about a new digital storytelling website on Europeana, and you decide to take a look. You are drawn to a Danish story which relates to World War I, have a look at the story.

## Task 1a

You would like to add a comment to the story above, how would you expect to achieve this goal?

## Task 2

You recently visited the Europeana exhibitions page, and feeling inspired by the Migration exhibition, you want to share your own tale about Migration on the Digital Storytelling Platform. Go to the Migration theme, login as "europeanatest" password "europeana", and make a new story called "Migrating", with the text, "This is a story about migration."

## Task 2a

Add the Europeana object, "The Crown of Denmark" to your story, and then save the story so that it can be viewed by other visitors to the site.

## Task 2b

You notice that somebody has uploaded a photograph of the "Palace of Copenhagen" to another story that relates to migration from Scandanavia. Save this picture to your library, and then add it to your own story on migration.

## Task 2c

Finally, add the video "The school ship 'Denmark'" to your story and save it.
