Sweden	Freely Online; driven by search and browse portal	This is the link to the Swedish parliament's (Riksdag's) page where one can search for all existing documents regarding laws, parliamentary reports, discussions, protocols, voting procedures and results etc. For many of the laws adopted in the 2000s, apart from the laws and the supporting documentation, in many cases one can even watch a video of the discussion/debate and the voting process. As I see, you cannot reach this page through the English version of the Parliament's website, by pressing "Documents and Laws" in English you will only receive general information on laws and procedures.	full-text	pdf, html
